ISCP Announcement – Conference Date Change Dallas, Texas

March 17, 2015

The International Supply Chain Protection Organization would like to announce the date change for 2015 ISCP Conference. Mark your calendars for September 30th and October 1st, 2015. The two day cargo theft summit will be addressing topics related to supply chain security, industry theft trends and investigations.

We are currently seeking recommendations for guest speakers and topics specific to Loss Prevention and Security in the supply chain. If you would like to make a recommendation or would like to speak on a specific industry topic, please contact us.

The conference will again provide a great venue to network with global industry peers, law enforcement, and select vendors. ISCP members and other interested parties should consider attending.

The conference will be held once again in Dallas, Texas at the Scottish Rite Children's Hospital Conference Center (<http://www.tsrhc.org/>) Submit your topics and speaker recommendations to [Byron Smith](#).
