Management Center Resources:

- **Print a Convenience Certificate:** Use these directions to print out your own LPC "convenience" certificate. The original, embossed certificate is mailed directly to your home. Be sure to update your home address under "Manage Profile" (at right) and then "Edit BIO".
- **CEU Accomplishment Submittal:** This form is filled out, at minimum, every year. It is used to update your LPF CEU (continuing education unit) record by listing activities you have participated in.
- **Pay CEU Fee(s):** This is used to pay late CEUs fees. Twenty CEUs are to be submitted each year on your exam anniversary month end to avoid this late fee. All fees need to be reconciled prior to recertification (renewing your credential another 3 years).
- **CEU Recertification Application:** This form is filled out every three years. If you have have 60 CEUs on file, are within three months of your current credential expiring, this form is used to renew your LPC credential.
- **Pay Recertification Processing Fee:** This is used to pay the \$125 CEU processing fee. Those who are renewing their credential with CEUs (instead of exam) and do not have a paid LPF membership all 3 years of their current LPC, need to pay this fee prior to recertifying.

If you are not yet a paid LPF member, you'll not be able to access most of this web sites' information or features. To get all the benefits of paid membership, [register](#) here.
